

CentraLand Limited

CentraLand Limited is a leading property developer based in Zhengzhou City, the capital of Henan Province, which is one of the most populated provinces in the PRC. The Group is primarily engaged in the development of residential and commercial properties, and also derives rental income through leasing some of its properties. Currently, the Group is involved in two main property developments: Guoling Shanshui (), a self-contained, high-end integrated property development, and J-Expo 1 (· 1), a commercial property project with retail and office units which caters to the wholesale trade of small consumer commodities.
